HOLIDAYS AT ALBERTINA KERR

Tradition for more than 100 years

Through the years Albertina Kerr has grown and adapted to meet the changing needs of our community; but through it all, the holidays have always been a special time.

In years past, children waiting for adoption at the Old Kerr Nursery received presents, enjoyed a special meal and helped to decorate the tree.

Today, although our work is mostly community-based, Albertina Kerr still makes sure that the holidays are

special for everyone. The holiday giving program is an opportunity for local businesses, individuals and groups to fulfill holiday wishes for kids and adults in group homes, foster care and more. You can make this holiday season memorable by fulfilling a wish from the tree in the lobby at the Old Kerr Nursery or contact Chris Wiens at 503-262-0181 or ChrisW@AlbertinaKerr.org to arrange for a holiday wish tree for your group or business. This heartwarming tradition truly represents the magic of the season.
